

# The Bourget lake, Hautecombe Abbey

... and Aix les bains.

At 8h00, we head for Bourgoin Jallieu, Yenne, and Hautecombe Abbey, erected on its promontory which is projected on the Bourget lake.

An audio-visual guided tour of the abbey, the princess nropolis. After the visit, we will discover the north shore of the lake including Pourtout, Chaudieu. A nearly uninterrupted course just above the admirable water plan immortalized by Lamartine.

In Aix les Bains, a water cure station, there are many entertainements like the casino, one of the most wonderful of France. It also holds the unique hippodrome of the savoie region and a prestigious golf club. Frequented by Napoleon the third and the empress Eugenie, the city managed to keep alive the galas of "saison", a heritage of its prestigious past. free time.

While having lunch on board, we will discover the biggest french natural lake by sailing along the wild coast till canal Saviere .This wonderful water lane, edged by trees and villages, links the Bourget lake to the Rhone river at the level of Chanaz. This little city managed to create a charming aspect by skilful composition of traditional housing, water , clump of flowers everywhere in the city.

free time and way back via Virieu le Grand, Amberieux en Bugey and the motorway to join Lyon.
